To view the videos: The videos are in DivX format. This format allows us to maintain maximum quality while preserving download-ready file sizes. In order to view these files, please visit www.divx.com and download the free "plug-in". A broadband internet connection (DSL or Cable) is recommended for downloading these video files.

To download them:

1. Click on the links and choose "Save As".
2. Select a location on your computer to save the files (make a mental note of it).
3. Once the file has downloaded completely, browse to that location on your computer and select the file.
